Re: Oceanic Production Equipment Ltd.

Dear Ms. Cafferata:

I spoke with Vernice Rolle today. I represent Oceanic Production Equipment Ltd. ("OPEL") in a lawsuit in the US Federal District Court for the Central District of California (Case No.: CV-15-08830-JAK-KS). In response to discovery requests, OPEL has agreed to produce copies of its available corporate documents. Kindly provide copies of all available documents to me. You may email, fax or mail the documents to me. If there is a fee for your service, please send an invoice to me for my consideration and payment before you send the documents.

Your prompt attention will be appreciated.

Sincerely,

A handwritten signature in black ink that reads "Mark Young". The signature is fluid and cursive, with a long horizontal line extending from the end of the name.
